

What is Sonrise Mountain Ranch?

Sonrise Mountain Ranch is a place about relationships – your relationship with God, your relationship with your family, and your relationships with others. Sonrise Mountain Ranch is a Christ-centered retreat center focused on helping you embrace God's design and invest your life wisely. We host weeklong and weekend getaways throughout the year geared for families or couples from the same church, small group, neighborhood, etc. Retreats are crafted so you will enjoy the richness and experience the impact of "doing life" together.

We also host pastor/missionary family retreats, providing a place for those in vocational ministry to refresh and rejuvenate.

If you are looking to slow down and grow your relationship with the Lord, your family, and other families, Sonrise Mountain Ranch could be just the place for you.

Why Sonrise Mountain Ranch?

Couples and families from all over our country are experiencing busyness at an unprecedented level. The busy, overloaded life puts families into a mode where they feel like they are just surviving rather than thriving. A life of hurry tends to weaken our relationships with those closest to us. The rich life we seek is rarely found when we live at warp speed. Families and couples need a chance to slow down, enjoy each other, and think about what matters most. Retreats at Sonrise Mountain Ranch provide the time and place to do just this.

In an intimate and comfortable setting, you and your family can laugh, dine, and draw close to the Lord. Leave busyness behind. Be rejuvenated and inspired. Taste the richness of unhurried relationships. Return home with the tools and enthusiasm to walk the road of life together and become more like Christ.

reconnect.

A new command I give you: Love one another. As I have loved you, so you must love one another. By this all men will know that you are my disciples, if you love one another.
