

Summer Internship Program Info

Position Description and Details:

Sonrise Mountain Ranch is a Christ-centered interdenominational retreat center in a spectacular mountain valley in southwestern Colorado. SMR's mission is to grow Great Commandment, Great Commission families. SMR hosts weeklong and weekend retreats throughout the year for families and couples, encouraging them to embrace God's design and giving them a chance to deepen relationships within their own family and with other families. SMR also hosts pastor and missionary family retreats, providing a place for those in vocational ministry to refresh and rejuvenate.

Interns at Sonrise Mountain Ranch will serve alongside the permanent staff and volunteers, assisting in various areas of the ministry as needed. We host 5-night and 6-night Family Retreats as well as Pastor/Missionary Retreats throughout the summer. The retreats have a youth and children's program for 2 to 4 hours each day. During that time, the interns will work in the youth and children's program under the direction of the Youth and Children's Program Director.

At other times, the interns will assist in the programmed family activities (object lessons, games, campfires), in serving and cleaning up after meals, and in other tasks/projects that are part of the ministry. Interns and permanent staff will spend time together each week with the goal of becoming more like Christ. Interns will have the opportunity to grow in their understanding of Christ-like leadership, ministering to families, and living in Biblical community through their experience here.

Our website (www.sonrisemountainranch.org) has more information about the ministry and our surrounding area.

The internship starts May 19th and ends August 17th. Deviations from these dates must be approved during the internship application process.
